WELCOME TO WHITEOUT

THE CABINETMAKERS' AUTUMN EXHIBITION [SE] INVITES YOU TO
WHITEOUT - A DAZZLING, WHITE EXHIBITION EXPERIENCE
CONSISTING OF 38 BRAND-NEW CHAIR INDIVIDUALS CREATED BY
MEMBERS OF THE CABINETMAKERS' AUTUMN EXHIBITION AND
GUEST EXHIBITORS.

Again this year, innovative proto-types see the light of day for the first time after countless hours of play, technical challenges and painstaking detailing. Retail-design designed the exhibition setting for the 38 chairs in an installation of white-on-white in the beautiful old Impressionist Hall at Ordrupgaard. So meet us in white for white-on-white and see the cream of the crop of Danish furniture design - before WHITEOUT is sent off to Tokyo.

The Director of Ordrupgaard, Anne-Birgitte Fonsmark, and the chairman of Cabinetmakers' Autumn Exhibition, Thomas Alken, hope to see you.
